

The LunchMaster Cipriani School 2010-2011 Lunch Program

About Our Company

Lunchmaster is a family owned company that has been serving schools in Northern California for almost 20 years. We strive to provide the traditional home-cooked taste that kid's love, while also using healthy, organic ingredients whenever possible. We have Melissa Manning, a registered dietician who specializes in child nutrition on staff to help us plan our menus. She particularly enjoys making food both healthy and fun. At The LunchMaster, we uphold the highest nutritional standards published by the USDA and the American Dietetics Association. We monitor calories, sugar, fat, vitamins, and minerals. Not only do we care about your child's health – we also care about our community, so all our packaging is biodegradable and 100% compostable.

About Our Food

Our food is tasty, healthy and convenient. Lunches have:

- No Trans Fats, Reduced Sugars and are high in Whole Grains
- Organic Lettuce & Vegetables (whenever possible)
- Fruit is individually packed and 90% of our fruits are pre-sliced, making it easier to eat!

- Tillamook Cheddar & All Natural American cheese (No dye added makes this cheese white!)

How to Register

Go to the Lunchmaster website at www.thelunchmaster.com.

- You will need to **request a log-in and password before you start ordering**. At Cipriani School we are identifying children by grade and section, so please be sure to include your child's grade and room (*ie: 3A or 3B*) when you are registering. If you have more than one child, you will need to register each child separately.
- **It can take up to three business days** for us to verify that your child is a student at the school and get your log-in back to you. Once you have your log-in and password, you can go online any time and order. Since there is only a delay this first time, we encourage you to register at the beginning of the year if you think you may want to use the lunch program any time during the school year. That way you will be ready to go!
- Your log-in and password will be e-mailed to you.
- If you want to use a paper menu instead of registering and ordering online, please contact Lunchmaster (not the school office) at (650) 596-8008 and we will mail or fax one to you.

How to Order

The best way to order is to go online to our website at www.thelunchmaster.com

- You can order as few or as many meals per week – whatever works for you.
- Go online and pick an entrée for each day you would like to buy lunch.
- You can order up to two months in advance, but **you need to order by Thursday by midnight the week before if you are ordering weekly**.
- You can pay for your order online with a credit card.
- If you prefer to pay by check, you can request a paper menu from us and mail the check directly to Lunchmaster. Please do not leave your check in the school office.
- On Friday before 2 p.m. the week before, you will be e-mailed lunch tickets for the next week. Your child should bring these lunch tickets to school – the ticket lets your child and the people working in the lunchroom know what you ordered for that day. Lunch tickets make the process go much quicker, but if you forget the tickets, don't worry, there will be a list of what each child ordered and someone there to help them.
