

Expectations for Volunteers

Volunteers are recruited from the community to share their time, knowledge and skill with children in the Belmont-Redwood Shores School District. Volunteer participation is designed to enrich the educational program and strengthen our schools' relationships with homes, businesses, public agencies, and private institutions. (Board Policy #1240) To that end volunteers are expected to:

1. Be considerate and respectful of personal property of staff and students
2. Maintain the confidentiality of students information and be mindful of and protect the privacy rights of students and parents
3. Act in accordance with District policies and regulations
4. Be willing to be fingerprinted and TB certified at their own risk, if needed

Complaints concerning volunteers may be resolved using the District's complaint process (Board Policy #1312)
